## SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

### CATALOGUE SUBSCRIPTIONS

**Sale Catalogues**, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

**Lists of "Prices Bid"** are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Bid" will probably be enclosed in a following Sale Catalogue.

### AIR MAIL POSTAGE

To allow subscribers resident outside Europe time to submit Postal Bids, Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases a deposit against the cost is required.
